The Event

Roof India is the most exclusive event to explore business and networking opportunities in the Roofing & Allied Products industry, offering latest solutions and innovations across various segments under one roof.

A Sneak Preview

- Asia's **largest & only conclave** of roofing fraternity
- Discover **200+ exhibiting** companies from India and Abroad
- Witness **live demos** and product launches under focus segments such as roofing, cladding, pre-engineered building, waterproofing
- 3 Day **open seminar sessions** 'Let's Talk Roofing' & "Flooring Ideas"
- **Connect and network with peers** from across the industry
- Discover **market trends** and **industry regulations** for the world's fastest growing economy

Floor India

The co-located event Floor India showcases the industrial commercial flooring as well as cleaning & installation technologies. The show offers visitors a unique platform to find insights, explore advanced technologies, network and generate valuable contacts, all under one roof.
