**International Exhibition on Industrial & Commercial Flooring Industry**

## Industry **OVERVIEW**

Roofing industry has witnessed a paradigm shift in the last few years. The construction sector has been a significant contributor to the demand for different types of roofing, owing to the rising global disposable income and increase in infrastructure development of educational institutes, healthcare centers, recreational areas, and office buildings. Customers are demanding durability, flexibility along with aesthetically pleasing designs. Also, increased corporate and public awareness about climate change has resulted in new initiatives like green building concept and elimination of hazardous materials.

The future of roof industry is bright considering the low steel penetration and high demand in construction industry.

And it is this scenario that **ROOF INDIA Exhibition - Asia's Largest Roofing & Allied Products Event**, provides the ideal platform for the building construction and infrastructure industry to converge, network and strike lucrative business deals and establish business partnerships & joint ventures. **ROOF INDIA Exhibition series is the benchmark event in Asia** for Roofing, Cladding, Pre-Engineered Buildings, Metal Building Systems, Tensile Architecture, Green Roofs / Roof Landscaping, Waterproofing, Insulation, Roofing Machinery, Roof Fastening Systems etc.

Be there to be part of India's building construction & infrastructure boom!
Maximize your opportunities at Roof India 2022.

## Industry **OVERVIEW**

The Indian Flooring Industry has been passing through an exciting period, thanks to the influx of newer materials, technology, and specialized machinery. Project scales, especially with respect to industrial and commercial flooring have increased dramatically in recent times. The modern connotation of a good Industrial Floor encompasses aesthetics, quick install-ability, longevity, economy, slip resistance, quality, functionality, durability, eco-friendliness, and moisture resistance.

The market is abuzz with innovations and companies constantly upgrading their offerings to meet the growing demand in various segments such as Airports, Metro-Rail projects, shopping malls, IT parks, and SEZs. The swift rise in urbanization, and industrialization, has created a considerable increase in the rate of construction activities, consequently increasing the scope of growth for the global flooring market. These rapid infrastructural developments have increased the demand for flooring products remarkably, boosting the overall market.
